

SELF-NOMINATION FORM

Deadline: May 1st, 2013

Please print or type

Registration Information:

Symposium registration is **\$800** (double occupancy) or **\$990** (single occupancy) and includes 3 nights' accommodation, all meals and refreshments breaks. A subsidized rate of **\$700** (double occupancy) is available for full-time students. Spouse registration, including full board, is **\$750**. Prices are in Canadian Dollars.

Please complete both pages of this form. As with previous Artimino/New England Conferences, registration is by a self-nomination process. Because this is a discussion meeting and attendance is limited to about 60 people, the organising committee will determine the final composition of the group, making the best effort possible to accommodate all those who wish to come. If you apply after a full complement of registrations has been accepted, you have the option to be placed on the standby list; you will then not be charged until your registration is accepted. If you have not already given us your details by provisional registration on the web, please do so here:
